

ACKNOWLEDGMENTS

We are pleased to acknowledge receipt of the following journals:

Cambridge University Mountaineering Club Journal

Birmingham University Mountaineering Club Journal

Rucksack Club Journal

Pinnacle Club Journal

We also express our grateful thanks to Kim Beck for providing the sketches without which no journal could possibly be deemed complete, to the South Wales Caving Club for permission to reproduce such parts of W. H. Little's article as have already appeared in their publication, and to all our contributors, gallant, badgered men and women that they are, in the hope that they will be encouraged to try again.

COMPETITION RESULTS

There were no entries for the competition set on page 50 of the 1962 Journal, so therefore the handsome prizes that were planned have been diverted to Editorial advantage, with regrets for committing what was obviously a solecism.

THE JOURNAL 1964

Contributions to the next Journal, which can be of any reasonable length, should be sent before May 31st, 1964, to the Editor, who would appreciate a note early in the year of contributors' intentions. All articles, photographs and correspondence in connection with the Journal should be sent to M. F. HALL,

29, PHILIP VICTOR ROAD,

HANDSWORTH WOOD,

BIRMINGHAM 21,

but correspondence about the distribution of the Journal and enquiries about extra copies, if available, should be made not to the Editor, but to the Honorary Secretary, D. G. Smith.
