

ACKNOWLEDGMENTS

We are pleased to acknowledge receipt of the following journals:

Cambridge University Mountaineering Club Journal
Birmingham University Mountaineering Club Journal

The Editor would also like to express a special word of gratitude to Kim Beck, who has once again provided the Journal with an illustrious set of tail-pieces "to order". Here, we feel, is a clear case of the tail-piece wagging the dog.

Also to all our contributors, flushed out of their burrows and hunted across several counties as they are, our thanks. May they survive to enjoy another good run.

One potential contributor, who was successful in his run for cover, has left us with an excellent drawing on our hands, by Kim Beck of course, of *camels*. The Editor would be glad to hear from any member willing to write an article incorporating references to these interesting beasts, however tenuous the connection.

THE JOURNAL, 1965

Contributions to the next Journal, which can be of any reasonable length, should be sent before May 31st, 1965, to the Editor, who would appreciate a note early in the year of contributors' intentions. All articles, photographs and correspondence in connection with the Journal should be sent to:

M. F. HALL,
29 PHILIP VICTOR ROAD,
HANDSWORTH WOOD,
BIRMINGHAM 21.

but correspondence about the distribution of the Journal and enquiries about extra copies, if available, should be made not to the Editor, but to the Honorary Secretary, F. Murray Campbell.
